

Dress Code

Studies have shown that children learn better when they feel comfortable about their appearance. School attire should be appropriate to the learning situation.

Clothes that are distracting to instruction are considered inappropriate.

These include:

- T-shirts with inappropriate language or alcoholic beverages advertisements
- Extremely brief garments (tube tops, net tops, spaghetti straps, see-through garments)
- Items that denigrate others

The wearing of hats except for medical or religious purposes is not allowed in the school building.

Loose fitting shoes such as clogs, flip-flops or untied sneakers can cause falls. Therefore, we ask that "secure" footwear be worn at school.
