

VISITORS, VOLUNTEERS & PARKING

Parents, volunteers and visitors are an important part of our program. We encourage you to become an active part of our school community.

In order to ensure the safety of all students and staff members, we ask all visitors to enter the school only through the main entrance located near the flagpole. Upon entering, visitors will sign-in with our greeter and receive a badge which should be worn throughout the entire visit.

Before proceeding to your destination the Greeter will contact the person you are meeting so he/she may expect you. We hope that those who enter our building recognize that learning at a high level can only occur when all those individuals in our school feel safe and secure.

Whenever you visit WHES, please park in the school's parking lot. There are 4 spaces near handicapped parking allotted to visitors. Do not park in the circle in front of the school as it is a fire lane and must be kept open.
